All volunteers who provide services for individual members or who may become privy to personal information about members through their duties are subject to a criminal background check. Volunteer drivers are also subject to a motor vehicle check. Only include your license information if you are interested in becoming a volunteer driver. Background Info USA (BIUSA) conducts these checks for us. We also need your social security number but do not include this on the form. Give it to us separately so it can be shredded after the check

\_\_\_ I consent to a criminal background check and authorize BIUSA to perform this check.
